SHPE
Leading Hispanics in STEM

**Stony Brook
University**

A Letter From Our Chapter President

Dear Corporate Partner,

SHPE at Stony Brook is one of the most active multicultural STEM organizations on Stony Brook's campus and one of the only active SHPE student chapters in Suffolk County, NY.

This past year, our chapter grew to 400+ members, reached over 40 active members, hosted 30+ events, and sent 21 students to the SHPE National Convention, made possible in large part by partners like you. Corporate sponsorship directly supports our members' professional development by funding National Convention attendance, resume reviews with recruiters, internship placements, and academic scholarships. Sponsoring us provides your company with direct access to a diverse group of driven and talented students who actively engage in their community and constantly seek opportunities to grow.

This year, our goals are to expand our professional development workshop series and to fund 30 students to attend the 2026 SHPE National Convention in Indianapolis.

I invite you to review the partnership levels described in this package and reach out with any questions. We welcome the opportunity to build a partnership tailored to your company's recruiting, values, and community goals.

Best regards,

Adrian M. Rodriguez
President, SHPE at Stony Brook University

About SHPE National

The Society of Hispanic Professional Engineers (SHPE) is a national nonprofit organization dedicated to increasing the participation of Hispanic professionals and college students in engineering, science, technology, and mathematics. Nationally, SHPE is composed of 314+ active student and professional chapters with more than 19,700 members.

Mission

SHPE changes lives by empowering the Hispanic community to drive social and economic growth by excelling in STEM.

Vision

Hispanics are highly valued engineers, scientists, and technologists that influence global progress and inspire the world.

Education

About SHPE Stony Brook University

Founded in 1995, the Stony Brook University Chapter of SHPE is one of the only active SHPE student chapters in Suffolk County, NY. Within SHPE National, our chapter is part of Region 4 (Northeast), which serves the northeastern United States and Puerto Rico.

Our chapter empowers Hispanic and underrepresented STEM students at Stony Brook to develop academically, professionally, and personally and to grow into the next generation of STEM leaders.

Chapter Highlights

- 400+ members across 10+ majors and disciplines
- 40% growth in membership over the last three years
- 21 students attended the SHPE National Convention in 2025
- 100+ students engaged in community service events in 2025

Stony Brook University's [Society of Hispanic Professional Engineers \(SHPE\)](#) welcomed students from Brentwood High School to campus for Pre-College Day, a morning of tours, demonstrations and student-led mentorship designed to inspire the next generation of scientists and engineers.

Why Partner With SHPE at Stony Brook?

Brand Visibility on Campus

Logo placement on our website and chapter apparel, social media posts reaching 1,000+ viewers, and recognition at the SHPE National Convention in front of the broader national SHPE network.

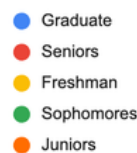

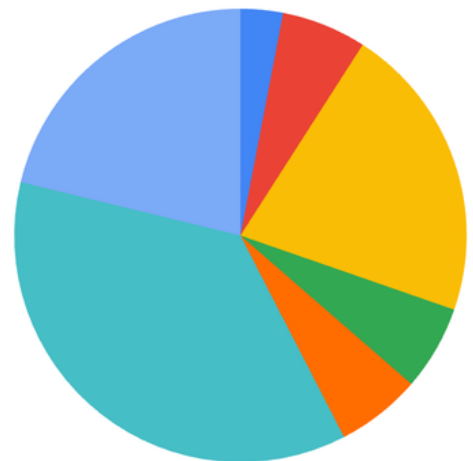

Host Campus Engagement Events

Sponsors can host or co-brand workshops, panels, or recruitment dinners with direct member interaction, typically 30-40+ students per event.

Long-Term Relationship

Sponsors receive a mid-year and end-of-year impact report and are recognized annually at our chapter banquet, building a multi-year relationship.

MemberSHPE

The Five SHPE Pillars

SHPE at Stony Brook organizes its programming around SHPE's five national pillars. These pillars reflect a commitment to supporting the holistic development of all our members, empowering them academically, professionally, and personally. On average, our general meetings are attended by 30-40 active students.

Academic Excellence, Peer-led Study Sessions

We host peer-led study sessions where members support one another through coursework, tutoring, and exam preparation. This creates an environment where students can comfortably tap into their community for support.

Leadership Development, LeaderSHPE

Our alumni networking initiative, LeaderSHPE, connects current members with SHPE alumni for mentorship and leadership development. Through 1-on-1 guidance, panel discussions, and career advice, members build essential leadership skills and gain confidence to navigate their career paths.

Chapter Development, Alumni & Social Events

We host community dinners and social events that bring together current members and SHPE alumni to maintain community and connection. These traditions maintain strong, lifelong connections, foster a supportive campus environment, and keep our members engaged.

Professional Development, SHPE National Convention

Our chapter attends the SHPE National Convention, the country's largest Hispanic STEM gathering, each fall. Attendees gain direct access to career fairs, technical workshops, graduate school expos, and on-the-spot interview opportunities with companies.

Community Outreach, Pre-College Day & Dia de Ciencias

We host Pre-College Day and Dia de Ciencias to ignite curiosity in STEM among local high school students, engaging over 100 students every year. By hosting these events, we help demystify higher education and pave the way for future STEM professionals.

Annual Calendar & Sponsorship Windows

Term	Event	Sponsorship Opportunity
Fall 2026	SHPE National Convention, Indianapolis, IN (Oct 28-31)	National Convention Sponsor (\$300-\$900/student)
Fall 2026	Pre-College Day	All tiers, dedicated table
Fall 2026	General Body Meetings (weekly)	Silver+ info table or panel seat
Spring 2027	Dia de Ciencias	Community Outreach Sponsor (\$300)
Spring 2027	Industry Panel / Company Info Session	Gold/Platinum-hosted session

SHPE National Convention Sponsorship

Each fall, SHPE National hosts the largest gathering of Hispanic professionals and students in STEM. In 2026, the convention will be held October 28–31 in Indianapolis, IN.

For our members, the Convention is often the single most transformative experience of their college career. Access to the country's largest Hispanic STEM career fair, interviews with top employers, professional development workshops, and a national network of nearly 20,000 SHPE members.

What Sponsors Receive

- Your company name attached to the sponsored student's Convention attendance
- Logo placement on chapter travel and recognition materials
- A post-convention impact report describing the student's experience and outcomes (interviews secured, offers received, connections made)

National Convention Sponsor:

Registration Cost Per Student: \$345 | Total Cost to Attend Per Student: \$700–\$900

Sponsorship Tiers

Tier	Investment	Key Benefits
Community Partner 	\$100–\$249	• Logo on chapter website • Listing in chapter newsletter
Bronze 	\$250	All Community Partner benefits plus: • Mid-year and end-of-year impact report
Silver 	\$750	All Bronze benefits, plus: • Logo on official chapter apparel • GBM info table or panel seat • Chapter newsletter feature mention
